Dear President Obama,

As a candidate you promised "unstinting resolve" to end the genocide in Darfur. I urge you to keep that promise by making Darfur a priority of your term to achieve:

- Protection of civilians from violence, starvation and disease
- Sustainable peace for all Sudan
- Justice for victims and accountability for perpetrators

for they shall obtain mercy. Blessed are the pure in heart: for they shall see God. Blessed are the peacemakers: for they shall be called the children of God. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven. ”
